Professional Boundaries – Employee-Student Interactions

From time-to-time, Friendship Aspire Charter School employees will have direct contact with students. Friendship Aspire Charter School recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to ensure a successful relationship.

Professional Boundaries

This policy is intended to guide all employees in conducting themselves in a way that reflects the high standards of behavior and professionalism required of Friendship Aspire Charter School employees and to specify the boundaries between students and employees. Trespassing the boundaries of a student/Friendship Aspire Charter School employee relationship is deemed an abuse of power and a betrayal of public trust and can lead to disciplinary consequences up to and including termination of employment. In addition, criminal penalties and sanctions may result for certain conduct with students.

It is each employee's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders of unacceptable employee behavior. Employees must avoid conduct that can be perceived as flirtatious or otherwise improper. Employees should consider the following question in determining whether conduct is appropriate: "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

The objective of providing the examples of acceptable and unacceptable behaviors listed below is not to restrain innocent, positive relationships between employees and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct. Each employee is responsible for ensuring that he or she does not cross any personal boundaries.

Employee Absence

If an employee is planning to be absent and have prior notification of such, employees are to notify the principal or designee in writing at least 10 days in advance, utilizing the Leave Request form immediately, to ensure that appropriate arrangements can be made for a substitute instructor. If the employee fails to follow this, they will be placed on leave without pay for the time missed. **Please note: Until written approval from the principal has been given, your leave is not approved.**

- Employees must confirm with the secretary that a substitute instructor has been secured at least 3 days prior to scheduled absence.
- Substitute folders must be completed and on desk, prior to employee scheduled absence.
- In cases of extended absences (more than 1 day), the instructor should phone the school daily to report continued absence, or once to report date of expected return with a physician's note. Employees that do not provide a physician's note will not be paid for any day after the first day of absence.
- Should an emergency situation arise, and you are unable to report to work, you are to notify the principal, principal designee, or main office immediately via telephone, of your absence. Additionally, upon your return a Leave Request form must also be completed.
- Employees must also notify an administrator if they are going to be late to work.
 - THIS MUST BE DONE NO LATER THAN 6:00 A.M FOR EMPLOYEES**
 - Upon arrival, employees must sign in indicating the time of arrival.

Use of Electronic Media by Employees to Communicate with Students

- Posting pictures or video clips of scholars on any social media site, i.e., Instagram, Facebook, Snapchat, etc., is a violation of scholars' rights and responsibilities
- Furthermore, it is extremely cautioned that instructors befriend/follow scholars of such sites, as the relationship may be misinterpreted.
- There is; however, a Friendship Aspire Charter School Website, which will allow employees to post pictures of his/her scholars, or comment on topics, which relate to school/extracurricular life.

Please ensure that a scholar and their parent/guardian has signed a permission to photograph form, which will be issued at scholar orientation.

Failure to Follow this Policy

Any failure to follow this policy either intentionally or unintentionally is subject to disciplinary action, up to and including termination. Additionally, the violation may be reported to the appropriate law enforcement agency and state authorities, as required by law.

Clarification

Any questions regarding this policy should be directed to Human Resources.

Examples

The following examples of unacceptable and acceptable behaviors are not intended to be all-inclusive. If an employee has questions regarding unacceptable and acceptable behaviors, they are encouraged to speak with his or her supervisor or Human Resources.

PERSONNEL POLICES

Employee Classifications

Full-Time Employees

Full-time employees are those employed to regularly work a minimum of thirty (30) hours per week. All full-time employees are eligible for all benefits as described below. These requirements will be explained to the employee at the time employment at Friendship Aspire Charter School begins and this information will remain available during employment. Employees should check with a member of Human Resources if they aren't clear on employee classification.

Part-Time Employees

Part-time employees are those employed to regularly work less than thirty (30) hours per week. Paid time off will be prorated based on the amount of average hours worked in a week.

Temporary Employees

Temporary employees may work any number of hours. Temporary employees are those employees who are hired to work for a limited period of time or for a specific project. Temporary employees are not eligible for benefits, holiday pay, or paid time off.

Consultant

Consultants are independent contractors who work under a consultancy agreement. Consultants have no employee status, and are not eligible for benefits.

Non-exempt Employees

Non-exempt employees are covered by the overtime provisions of the Federal Fair Labor Standards Act and any applicable state and local laws. Non-exempt employees are entitled to overtime pay for work in excess of forty (40) hours per week, in accordance with applicable federal, state, and local laws.

Exempt Employees

Exempt employees are not entitled to overtime under the Federal Fair Labor Standards Act and any applicable state or local laws. These employees include those who qualify as exempt under the Fair Labor Standards Act, including, but not limited to, administrative, executive, or professional employees.

Pay Periods

Employee paychecks are distributed twice a month, on the 15th and last day of the month except when those days fall on a national holiday or a weekend, in which case paychecks are distributed on the prior work day. Friendship Aspire Charter School encourages all employees to participate in automatic payroll deposit of their paychecks, but will accommodate employees who wish to be paid by regular check.

Employees may change automatic payroll deposit at any time. To change automatic payroll deposit, an employee must complete a form (available from Human Resources) and return it to Human

Resources at least 15 days before the pay period for which he/she would like the service to begin. Employees should carefully monitor their payroll deposit statements for the first two pay periods after the service begins to make sure all information is correct.

To change automatic payroll deposit, employees must complete the form available from Human Resources and return it to Human Resources at least 15 days before the end of the pay period for which they would like the service to end. Employees will receive regular payroll checks on the first pay period after the receipt of the form, provided it is received no later than 15 days before the end of the pay period.

In the event an employee is absent from the office when his/her paper paycheck is prepared, Friendship Aspire Charter will keep the paycheck in a safe place until the employee returns to work, unless otherwise instructed in writing by the employee. An employee's paycheck will not be released to another person without the written authorization of the employee in question.

Payroll Policies

Friendship Aspire Charter School is required by law to make certain withholdings from employee paychecks, including withholdings for federal, state, and local taxes, Social Security contributions, garnishments, and wage attachments. Friendship Aspire Charter School will also make payroll deductions for premiums for, or contributions to, retirement plan and/or other Friendship Aspire Charter School-administered benefits plans, upon written authorization by the employee. The foregoing withholdings and/or deductions, and the amount of each, are listed on each employee's pay stub.

If payroll changes are requested by the employee, appropriate documentation and authorization must be submitted fifteen (15) business days prior to the following pay date in order to be applied to that pay period.

After the end of each calendar year, the employee will be supplied with a Wage and Tax Statement (W-2) form. This statement summarizes the employee's income and withholdings for the year.

Friendship Aspire Charter School takes all reasonable steps to ensure that employees receive the correct amount of pay in each paycheck and that employees are paid promptly on the scheduled payday. In the unlikely event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of Human Resources so that corrections can be made as quickly as possible. If underpayments are identified, they will be corrected in the next regular paycheck. Overpayments also will be corrected in the next regular paycheck unless this presents a burden to the employee (such as where a substantial amount is owed). In that case, Friendship Aspire Charter School will attempt to arrange a schedule of repayments with the employee to minimize the inconvenience to all involved. Adjustments to regular pay, such as deductions for unpaid time off, leave of absence and payroll advances, will be reflected on the paycheck for the following pay period.

Subject to the proper deductions listed below, an exempt employee (who is exempt from receiving overtime under the Fair Labor Standards Act and applicable state law) must receive his or her full salary for the weeks in which he or she performs work, regardless of how many days or hours he

or she worked that week, as long as he or she at least worked that week. Proper deductions that may be taken from an exempt employee's salary include:

- when he or she is absent from work for one or more full days for personal reasons other than sickness or disability and has exhausted time given;
- for absences of one or more full days due to sickness or disability if the deduction is made in accordance with Friendship Aspire Charter School's practice of providing compensation for salary lost due to illness;
- to offset amounts he or she receives as jury or witness fees, or for military pay;
- for unpaid disciplinary suspensions of one or more full days imposed in good faith for workplace conduct rule infractions;
- during the initial or terminal week of employment if he or she does not work the full week; and
- For weeks in which he or she takes unpaid leave.

An employee who believes that an improper deduction has been taken from his or her paycheck should immediately report the alleged improper deduction in writing to Human Resources. When possible, employees are asked to provide the date of the alleged unlawful deduction, the nature of the deduction, and any supporting documentation, such as an employee's pay stub. Friendship Aspire Charter School will investigate all complaints promptly. If any improper deductions are found, Friendship Aspire Charter commitment to ensure that no improper deductions are made in the future. Employees will not be penalized in any way for making a good faith complaint.

Overtime Pay

Employees may be required to work overtime as necessary. For those employees entitled to receive overtime compensation, only actual hours worked in a given workday or workweek will apply in calculating overtime compensation. Accordingly, vacation pay, holiday pay, jury or witness duty leave, bereavement leave, and any other time off will not be considered hours worked for purposes of overtime calculation. All overtime work must be previously authorized by the employee's direct supervisor. Unauthorized overtime is against Friendship Aspire Charter School policy and may result in disciplinary action up to and including termination.

Non-exempt employees are compensated at a rate of one and one-half (1-1/2) times the employee's regular rate of pay for overtime hours worked over forty (40) hours per week, which shall be paid in compliance with state and federal law and is subject to change. Workweeks begin each Sunday at 12:00 a.m.

Exempt employees may have to work hours beyond their normal schedules as work demands require. No overtime compensation will be paid to exempt employees.

Accurately recording time worked is the responsibility of every non-exempt employee. Time worked is all the time actually spent on the job performing assigned duties. Non-exempt employees must accurately record the time they begin and end their work, as well as the beginning and ending time of each meal period. All employees also must record the beginning and ending time of any split shift or departure from work for personal reasons.

Altering, falsifying, or tampering with time records, recording time on another employee's time record, or not recording all hours worked will result in disciplinary action, up to and including termination of employment. It is the employee's responsibility to sign his or her time record to certify the accuracy of all time recorded. In addition, if corrections or modifications are made to the time record, both the employee and the supervisor must verify the accuracy of the changes.

Dress Code

Staff are expected to maintain the highest degree of professionalism throughout the workday. Professional dress is expected for all employees at all times. No jeans or denim are allowed. No shorts are allowed. Spirit Days have been planned throughout the school year, in which jeans may be worn. Faculty members should make every effort to cover any piercings (other than earrings-ladies) and body art. Additionally, flip-flops and backless tops/dresses are not permitted. No employee shall wear, display, or sell any clothing, jewelry, emblem, symbols, signs or other outer attire that are evidence of affiliation with drugs, alcohol, violence or gang related activities. Wearing the school faculty shirt with uniform bottoms is permitted and encouraged. Sneakers/sports shoes are not allowed, unless worn by Physical Education Staff.

Work Schedules

Friendship Aspire Charter School's hours are generally 8 hour days. Monday through Friday, with a lunch break and other breaks for full-time employees. Absent special workload requirements, employees are expected to work those hours as established at the time of their employment. Because of its national and international business nature, it may be necessary from time-to-time for Friendship Aspire Charter School employees to work outside normal office hours. Schedules may vary from employee to employee based on position, office policy, and/or special staffing requirements. Duty teacher schedules will differ on days that duty is assigned. Please contact a member of leadership to determine the time to report for duty. In addition, attendance once a week at Professional will be required for ALL employees.

A write-up will follow after the written warning for the next occurrence, and your vacation day will be docked. Continuous tardiness and absences from work can lead up to and include termination from Friendship Aspire Charter School.

Inspections, Searches and Monitoring

Access to Company Property

In order to ensure access at all times to company property, and because employees properly in possession of company property or information related to Friendship Aspire Charter School business may not always be available to produce the property or information when needed in the ordinary course of Friendship Aspire Charter School's business, Friendship Aspire Charter School reserves the right to conduct a routine inspection or search at any time for company property on Friendship Aspire Charter School's premises. In addition, Friendship Aspire Charter School reserves the right to access at all times information and communications stored in Friendship Aspire Charter School computer files, on disk-drives, and in employee e-mail and voice mail boxes.

Routine searches or inspections for Friendship Aspire Charter School property may include an employee's office, desk, file cabinet, closet, computer files, voicemail, text messages, pages, e-mail or similar places where employees may store company property or company-related information, regardless of whether the places are locked or protected by access codes.

Because even a routine search for Friendship Aspire Charter School property might result in the discovery of an employee's personal possessions, all employees are encouraged to refrain from bringing into the workplace any item of personal property that they do not wish to reveal to Friendship Aspire Charter School.

Monitoring

Friendship Aspire Charter School actively monitors the use by employees of Friendship Aspire Charter School telephones, computer networks, e-mail systems, instant and text messaging, and paging systems at any time it deems appropriate. Monitoring may be performed by observation, or through oral, mechanical, electronic, or other means. Monitoring may take place on a regular or random basis and will be used to monitor an employee's job performance, for training or quality control purposes, or in instances in which Friendship Aspire Charter School has a reasonable suspicion that an employee is using company property in an unauthorized manner.

Approvals for Inspections or Monitoring

In instances in which a routine inspection or search is conducted because of Friendship Aspire Charter School's need for company property, or information related to Friendship Aspire Charter School's business, that is believed to be in the possession of an employee who is not available, no approval for the inspection or search is necessary. If Friendship Aspire Charter School proposes to search an item of the employee's personal property, such as a briefcase, Friendship Aspire Charter School will make an effort to obtain the employee's consent.

In instances in which the inspection, search or monitoring is conducted because there is reasonable suspicion that a particular employee or group of employees may be in possession of prohibited materials, including, but not limited to illegal drugs, alcohol, or firearms, in violation of Friendship Aspire Charter School's policies, or may be using Friendship Aspire Charter School property in an unauthorized manner, and in instances in which an item of the employee's personal property will be searched, the inspection, search or monitoring will be approved in advance by Human Resources or the Executive Director.

All inspections or searches that are conducted as part of Friendship Aspire Charter School's program of periodic and unannounced inspections will be approved in advance by Human Resources or the Executive Director, who will inform the supervisor of the impending inspection prior to its occurrence.

Disciplinary Action

Employees who are found to be in possession of prohibited materials in violation of Friendship Aspire Charter School's policies or employees who are found to have used Friendship Aspire Charter School property in an unauthorized manner will be subject to discipline, up to and including termination, regardless of Friendship Aspire Charter School's reason for conducting the search, inspection, or monitoring.

If an employee refuses to cooperate with a search or inspection that is based on reasonable suspicion that the employee is in possession of prohibited materials, Friendship Aspire Charter School may take that refusal into consideration in determining appropriate disciplinary action. Discipline will be based on all available information, including the information giving rise to the reasonable suspicion. It is therefore to the employee's advantage to cooperate with the search or inspection whenever prohibited materials are present.

Disposition of Prohibited Materials

Any prohibited materials, or any materials that are suspected of being prohibited by Friendship Aspire Charter School's policies, that are found in an employee's possession during an inspection or search will be collected by Friendship Aspire Charter School and will be placed in a container, sealed, and marked with (1) the date collected; (2) names of persons present; (3) circumstances of discovery; and (4) a general description of the contents placed in the container.

The employee who was in possession, or who was suspected of being in possession, of the prohibited materials should be given a receipt for the materials that are collected. If, after further investigation, it is determined that the materials collected were not prohibited by Friendship Aspire Charter School's policies, the collected materials will be returned to the employee, except as provided below, and a receipt will be obtained from the employee. In cases in which it is suspected that the collected materials consist of illegal drugs or other controlled substances, Friendship Aspire Charter School will arrange for disposition in accordance with advice from the Drug Enforcement Administration or other appropriate law enforcement authorities. In cases in which the collected materials consist of, or are suspected of consisting of, firearms or other weapons, explosives, or other hazardous materials or articles, Friendship Aspire Charter School reserves the right to dispose of the materials in whatever manner it deems to be in the interest of its employees' safety or to return the materials to the employee at a designated time and location.

Confidentiality

Managers and supervisors will restrict communications concerning a violation or possible violation of this policy to persons who have an important work-related reason to know.

Media Policy

From time to time, Friendship Aspire Charter School may receive inquiries from the media (newspapers, television, etc.) regarding issues relating to Friendship Aspire Charter School.

Friendship Aspire Charter School wants to ensure that accurate, comprehensive and relevant information is provided in response to media inquiries. To that end, Friendship Aspire Charter School has designated the Head of Schools as the school's spokesperson. If an employee is contacted by the media regarding an inquiry related to the school, that inquiry should be directed to the Head of Schools or their designee. In addition, any press releases or other information provided to the media, whether promotional, informational, or otherwise, shall be approved in advance by the Head of Schools or designee of the Board of Directors.

Conflict of Interest

Employees must avoid situations involving actual or potential conflicts of interest. Personal or romantic involvement with a competitor, service provider, or subordinate employee of Friendship Aspire Charter School, which impairs an employee's ability to exercise good judgment on behalf of Friendship Aspire Charter School, creates an actual or potential conflict of interest. Supervisor- subordinate romantic or personal relationships also can lead to supervisory problems, potential claims of sexual harassment, and morale problems.

An employee involved in any of the types of relationships or situations described in this policy should immediately and fully disclose the relevant circumstances to his immediate supervisor, or any other appropriate supervisor, for a determination about whether a potential or actual conflict exists. If an actual or potential conflict is determined, Friendship Aspire Charter School may take whatever corrective action appropriate. Failure to disclose facts shall constitute grounds for disciplinary action, up to and including termination.

Work Product Ownership

Please be aware that Friendship Aspire Charter School retains legal ownership of the product of your work. No work product created while employed by Friendship Aspire Charter School can be claimed, construed, or presented as property of the individual, even after employment by Friendship Aspire Charter School has been terminated or the relevant project completed. This includes written and electronic documents, audio and video recordings, system code, and also any concepts, ideas, or other intellectual property developed for Friendship Aspire Charter School, regardless of whether the intellectual property is actually used by Friendship Aspire Charter School. Although it is acceptable for you to display and/or discuss a portion or the whole of certain work product as an example in certain situations (e.g., on a resume), please bear in mind that information classified as confidential must remain so even after the end of employment, and that supplying certain other entities with certain types of information may constitute a conflict of interest. In any event, it must always be made clear that work product is the sole and exclusive property of Friendship Aspire Charter School.

Romantic Relationships

Friendship Aspire Charter School wants to avoid misunderstandings, actual or potential conflicts of interest, complaints of favoritism, potential claims of sexual harassment, and the employee morale problems that may result from romantic relationships involving managerial employees and subordinates or other employees within their sphere of influence at Friendship Aspire Charter School.

Accordingly, managers should not become romantically involved with any other employee of Friendship Aspire Charter School. Additionally, all employees should not fraternize or become romantically involved with other employees when, in the opinion of Friendship Aspire Charter School, their personal relationships may create a conflict of interest, cause disruption, create a negative or unprofessional work environment, or present concerns regarding supervision, safety, security, or morale. Relationships between Friendship Aspire Charter School employees and members of partner organizations are discouraged, especially when they would create a conflict of interest, cause disruption, or create a negative work environment. Regularly scheduled full and part-time employees are strongly discouraged from dating Friendship Aspire Charter School consultants and interns at any time during the internship regardless of whether or not the employee supervises the intern or not.

Supervisors and employees who are romantically involved with each other should contact Human Resources so that Friendship Aspire Charter School can assess the potential for a conflict of interest or any disruption in the work place.

Employment of Relatives

Relatives of employees may be eligible for employment with Friendship Aspire Charter School only if individuals involved do not work in a direct supervisory relationship, or in job positions in which a conflict of interest could arise. Friendship Aspire Charter School defines “relatives” as spouses, registered domestic partners, children, siblings, and parents, and in-laws and step-relatives of these same relationships. Present employees who marry or become registered domestic partners will be permitted to continue working in the job position held only if they do not work in a direct supervisory relationship with one another or in job positions involving conflict of interest. In the event of a direct supervisory relationship or conflict of interest, Friendship Aspire Charter School retains the sole and absolute discretion to determine which employee should be moved to another position within the company to eliminate the supervisory relationship or conflict of interest, based upon the business needs of the company.

Friendship Aspire Charter School has developed guidelines to help maintain a secure workplace. Be aware of persons loitering for no apparent reason in parking areas, walkways, entrances and exits, and service areas. Report any suspicious persons or activities to security personnel. Secure your desk or office at the end of the day. Employees should not be on campus alone, especially early in the morning or late in to the evening. When called away from your work area for an extended length of time, do not leave valuable and/or personal articles in or around your workstation that may be accessible. The security of facilities as well as the welfare of our employees depends upon the alertness and sensitivity of every individual to potential security risks. Friendship Aspire Charter School’s non-traditional work environment requires even more due diligence on the part of employees. Employees should immediately notify their supervisors when unknown persons are acting in a suspicious manner in or around the facilities, or when keys, security passes, or identification badges are missing.

Workplace Violence

Friendship Aspire Charter School recognizes that workplace violence is a growing concern. Friendship Aspire Charter School is committed to providing a safe, violence-free workplace. In this regard, Friendship Aspire Charter School strictly prohibits employees, consultants, customers, visitors or anyone else on Friendship Aspire Charter School premises or engaging in a Friendship Aspire Charter School-related activity from behaving in a violent or threatening manner.

Conduct that is prohibited under this policy includes, but is not limited to:

1. Actual physical violence;
2. Threats of any kind;
3. Threatening, physically aggressive, or violent behavior, such as intimidation of, or attempts to instill fear in, others;
4. Other behavior that suggests a propensity towards violence, which can include belligerent speech, excessive arguing or swearing, sabotage, threats of sabotage of Friendship Aspire Charter School property, or a demonstrated pattern of refusal to follow Friendship Aspire Charter School policies and procedures;
5. Defacing Friendship Aspire Charter School property or causing physical damage to the facilities; or
6. With the exception of security personnel, bringing weapons, ammunition, explosives, or firearms of any kind on Friendship Aspire Charter School premises, in Friendship Aspire Charter School parking lots, or while conducting Friendship Aspire Charter School business.

Friendship Aspire Charter School employees must immediately report any suspected or actual violations of this policy to their supervisor or Human Resources. Even without an actual threat, employees should report any behavior regarded as threatening or violent.

Friendship Aspire Charter School employees aware of a threat of imminent workplace violence, an actual ongoing act of workplace violence, or a violent incident occurring on Friendship Aspire Charter School premises should immediately contact 911, where immediate assistance will be available.

All reports of workplace violence will be kept confidential to the extent possible and will be investigated promptly and thoroughly. Employees are expected to report and participate in an investigation of any suspected or actual cases of workplace violence. Violations of this policy, including failure to report or fully cooperate in Friendship Aspire Charter School's investigation, may result in disciplinary action, up to and including immediate termination. If Friendship Aspire Charter School determines that workplace violence has occurred, Friendship Aspire Charter School will take all appropriate action it deems necessary and appropriate under the circumstances. Such action may include, but is not limited to:

1. Suspension, termination, or other disciplinary action as appropriate;
2. Removal from the premises and/or withdrawal of consent to enter or be present on the premises pending the outcome of an investigation and thereafter, if required;
3. Notification of security and law enforcement agencies of any threats and/or violent acts, and/or initiating criminal arrests and prosecutions;
4. Termination of any business relationship;
5. Any other action deemed by Friendship Aspire Charter School to be necessary or required under the circumstances.

It is a violation of Friendship Aspire Charter School's policy to retaliate against any employee who makes a report in good faith under this policy. An employee who retaliates against someone who has reported a violation of this policy in good faith is subject to disciplinary action, up to and including termination.

Any inquiries from any media representatives regarding any actual or potential instances of workplace threats and/or violence should be referred to the Head of Schools for official information and comment.

Weapons

It is unlawful for an employee to intentionally possess a firearm on school property or within 1000 feet of school property, with limited exception, or while on a school bus. The area surrounding the school campus or within 1000 feet of any such school campus, or within a school bus zone shall be designated firearm-free zones. Friendship Aspire Charter School Board, in cooperation with local governmental agencies, and the State Department of Education, shall designate and mark firearm-free zones that surround all schools and school property.

Any employee possessing a dangerous weapon or instrument intended or likely to produce great bodily harm, on school property, in his/her vehicle, or at any school-related function, may be subject to disciplinary action, up to and including termination.

Smoking or the use of any tobacco product in any form shall be prohibited on any school bus or vehicle used to transport children, whether bus operator, activity bus driver, substitute driver/instructor, or otherwise.

Alcohol and Drug-Free Workplace Policy

It is Friendship Aspire Charter School's policy to maintain a healthy and safe workplace. The unlawful or unauthorized presence or use of controlled substances or alcohol in the workplace, or an employee's impairment because of use of illegal or over-the-counter drugs or alcohol while conducting Friendship Aspire Charter School business presents a danger to everyone. For these reasons, as a condition of employment and continued employment with Friendship Aspire Charter School, employees must follow this substance abuse policy.

Employees are prohibited from reporting to work or working while using illegal or unauthorized drugs or while impaired due to the use of alcohol. Employees are prohibited from reporting to work or working when the employee uses any prescription medicine, except when such use is pursuant to a doctor's orders and the doctor advised the employee that the substance does not adversely affect the employee's ability to safely perform his or her job duties. Nothing in this policy is intended to diminish the Friendship Aspire Charter School's commitment to employ and

reasonably accommodate qualified individuals with known disabilities unless doing so would result in an undue hardship to Friendship Aspire Charter School. In addition, employees are prohibited from engaging in the unlawful or unauthorized manufacture, distribution, sale or possession of illegal drugs, controlled substances, and alcohol in the workplace including: on company paid time, on company premises, or while engaged in company activities.

Any violation of this policy may result in disciplinary action, up to and including termination. Furthermore, any employee who violates this policy or who voluntarily seeks assistance may be required, in connection with or in lieu of disciplinary action, to participate in and successfully complete a Friendship Aspire Charter School approved drug and/or alcohol assistance or rehabilitation program as a condition of continued employment. Friendship Aspire Charter School assures that any information concerning an individual's drug and/or alcohol use will remain confidential.

In order to satisfy regulatory requirements and minimize potentially adverse impact to Friendship Aspire Charter School, its employees, clients, and the community, Friendship Aspire Charter School reserves the right to test applicants for employment and employees, in accordance with applicable federal, state, and local laws, upon reasonable suspicion that the employee is at work under the influence of such drugs or substances. Violations of this policy may lead to disciplinary action, up to and including immediate termination. Such violations may also have legal consequences.

Employees with questions or issues related to substance or alcohol use in the workplace should raise their concerns with Human Resources. Employees may do so without fear of reprisal by Friendship Aspire Charter School.

- Coffee cup warmers

SEPARATION FROM EMPLOYMENT

The term “termination” applies to all forms of separation from employment. It is not intended to convey that the separation from employment was voluntary or involuntary, just that an employee will no longer be employed by Friendship Aspire Charter School.

Supervisor Notification Responsibility

All terminations (voluntary and involuntary) must be coordinated through Human Resources. Supervisors will notify Human Resources as soon as possible about any resignations or discussions about termination.

Voluntary Termination

Friendship Aspire Charter School will consider employees to have voluntarily terminated employment if they resign from Friendship Aspire Charter School, fail to return from an approved leave of absence on the specified date, or fail to report to work or call in for three (3) or more consecutive workdays.

Advance Notice of Resignation

Employees who resign are asked to submit a letter of resignation to their supervisor with as much notice as possible, but not less than two (2) weeks prior to their last day of work.

Return of Friendship Aspire Charter School Property

Upon termination of employment from Friendship Aspire Charter School, employees must return all student information, grade books, computer equipment, phones, supplies, keys, security access cards, parking cards, and other Friendship Aspire Charter School property. Friendship Aspire Charter School may take further action to recoup any replacement costs and/or seek the return of company property through appropriate legal channels. If an employee is returning equipment by mail, it must be packed professionally at a UPS store location, insured, and returned to the Louisiana office.

Employees should submit all expense reimbursement requests with substantiating documentation (receipts) to the accounts payable administrator prior to the last day of employment in order to be reimbursed for incurred expenses. Employees should also submit expense reports and substantiating documentation (receipts) for all charges to Friendship Aspire Charter School corporate credit cards prior to the last day of employment.

Exit Interview

An exit interview is normally scheduled for an outgoing employee after a supervisor receives a notice of resignation or for an employee whose termination is initiated by Friendship Aspire Charter School. The purpose of this interview is to review eligibility for benefit continuation and conversion, to ensure that all necessary forms are completed, to collect all Friendship Aspire Charter School property that may be in the employee's possession, and to provide employees with an opportunity to discuss their job-related experiences.

Insurance Continuation

Employee medical, dental, and vision coverage remains in effect until the last day of the month of final employment. Pursuant to the terms of the Arkansas Group Health Insurance Continuation Law (*AR Stat. Sec. 23-86-114*), in the event of termination of employment with Friendship Aspire Charter School or loss of eligibility to remain covered under the group medical insurance program, employees and/or their dependents may have the right to continue coverage under Friendship Aspire Charter School's medical, dental, and vision insurance program for a limited period of time at the employee's own expense. Continuation of benefits information will be mailed to the employee's home address on record following termination.

Final Paycheck

An employee's final paycheck will cover any days or hours worked for which the employee has not yet been compensated. Non-exempt employees should submit their timesheets recording their work through their termination date to facilitate timely preparation of the final paycheck. The final paycheck will be paid on the next regularly scheduled payday.

Any deductions for medical and/or dental dependent benefit coverage necessary to cover the employee's contribution for the month of termination will be made from the final paycheck, consistent with applicable federal and state laws.

Unemployment Compensation

Depending upon the circumstances, employees may be eligible for unemployment compensation upon termination of employment with Friendship Aspire Charter School. Eligibility for unemployment compensation is determined by the employee's State unemployment office.

Address Change Notification

Employees are advised to notify Payroll and Human Resources of any address changes during the calendar year in which the termination occurs so that the year-end tax information will be sent to the proper address.
