## Enrollment

Every year students must be re-enrolled regardless of prior year enrollment and attendance. Parents must take advantage of the early enrollment opportunity and submit an Intent to Return form by the applicable deadline. Registration information, including residency verification, must be submitted by the deadlines provided in order to reserve enrollment slots. All applications for new students must be submitted through the school website or turned in to the school office. Preference is given to new students who are siblings of students re-enrolling from the prior school year. Please see [www.friendshipaspire.org](http://www.friendshipaspire.org) for more detailed information.

## Transfer or Withdrawal of a Student

Parents/guardians of record are required to sign in person at the campus main office the necessary forms for a student's withdrawal or transfer from Friendship Aspire Academy. The transfer and records release will be complete upon receipt of a documented formal request from the enrolling school. Additionally, grades and transcripts will not be released until all accounts/fees are cleared.

## School Breakfast, Lunch and Supper Programs

Friendship Aspire participates in the National School Lunch Program and School Breakfast Program and offers high quality, nutritionally-balanced meals that meet USDA guidelines for healthy school meals and the requirements set forth in the Healthy Schools Act. All students who are enrolled in a qualifying after school program will also receive a snack and hot supper at no charge.

Friendship Aspire Academy abides by a "nut-free" policy. Food allergies can be life threatening and Friendship Aspire is committed to offering a safe educational environment for all students including students with food allergies. Cooperative efforts between students, parents, physicians and school staff members can help minimize risks.

## Nut Free Policy

Friendship Aspire Academy is aware of the tremendous risk children and adults who are allergic to nuts can face from even the smallest exposure to peanut butter or a piece of nut. The consequences are life-threatening in many cases and require immediate intervention with medication, hospitalization or even life support. We want to do all we can to eliminate the possibility of such an occurrence in our schools.

Parents are asked to adhere to the following school-wide protocols:

- Please do not send any peanuts, peanut butter or foods containing peanuts or peanut butter.
- There will be no classroom projects that involve peanut butter (like bird feeders) or peanut shells (art projects). Please do not send any of these projects into the classroom with your child.
- Please do not enclose candy or other treats with holiday cards.
- If your child ate peanut butter for breakfast, please ensure that your child has washed his/her hands with soap and water before leaving for school. Water alone does not do the trick!

A list of other tree nuts that may trigger an allergic reaction are provided below:

Almond	Coconut	Pecan
Beechnut	Filbert	Pine Nut
Brazil Nut	Gingko Nut	Pistachio
Bush Nut	Hazel Nut	Shea Nut
Butternut	Lichee Nut	Walnut
Cashew	Macadamia Nut	
Chestnut	Nangai Nut	

Your understanding and support in helping us to provide a **"NUT-FREE ZONE" within the lobby, lunchroom and classroom areas** is greatly appreciated.

# Resources for Parents

## Office of Parent Relations

The Office of Parent Relations provides support and information to the parents and families of Friendship Aspire Academy. Its services to parents include:

- keeping parents in touch with Friendship Aspire Academy news and happenings and providing programs and services that keep parents connected throughout the year;
- listening to parent concerns, providing referral information and coordinating informal resolution meetings; and
- helping parents connect with any special help or services.

Call your child's school and ask for the name of the PAC president, or simply come to the next meeting. You will be welcomed with open arms.

## When Do PACs Meet?

Please contact your child's school for more information.

## Parent Advisory Council (PAC)

The PAC (Parental Advisory Council) is an organization that brings parents and teachers together to promote the education and welfare of our children.

The primary role of the PAC is to provide a forum through which parents can become more involved in the education of their children. The PAC coordinates a number of activities and services, including:

- outreach to its members to determine the needs and interests of membership;
- recruitment of parents to build a robust parent involvement program;
- information and available educational resources to all parents;
- support and aid for parents with concerns or other issues;
- professional development for its parent membership;
- partnerships with members of the school community (e.g., Director of Parent Relations, Learning Leaders) to offer services to families and share resources;
- representation of parents on School Leadership Teams;
- fund raising activities to benefit the children and PAC;
- parent participation in school activities; and communications (e.g., newsletters, e-mail accounts, websites, phone trees)

## Parent University

Parent University is an initiative designed to inform, involve and empower Friendship Aspire families. It provides a combination of resources and course offerings to help parents become full partners in their children's education. Parent University offers parents and other family members a variety of meaningful classes and workshops that will add to their existing skills and give them opportunities for continued growth and development.

The goal of Friendship Parent University is to educate, engage, and involve our parents/guardians as partners and advocates in their children's education.

Parent University's purpose is to:

- Increase access to and understanding of Friendship's core values, policies and practices;
- Increase parental involvement and participation in school;
- Allow parents an opportunity to network with professionals and other parents;
- Help parents develop the skills needed to implement positive parenting practices;
- Empower parents to become effective advocates for their children;
- Strengthen home-school-community partnerships;
- Equip parents with knowledge and awareness of resources available to them;
- Increase the number of parents who feel positively connected to their children's school; and
- Provide opportunities and support for families to achieve personal academic and non-academic goals.

Parent University will offer workshops/courses in one of five areas:

- **Social Emotional Learning:** These workshops will focus on the social emotional development of children and how it can impact a student's academic and social progress. Information and experiences that empower parents to raise self-confident, disciplined, motivated and educated children from birth through young adulthood will be shared.
- **Technology:** These workshops will provide families current information on technology and how it can be used to increase learning for students and parents.
- **Academic Intervention and Support:** These workshops will focus on steps that can be taken to assist a student in their academic progress. Parents will learn how to determine whether their children are on track with their learning.

- **Growth and Personal Development:** These workshops will provide opportunities for parents to increase their own personal and professional growth, enabling them to effectively advocate for themselves and their children.
- **Education:** These workshops will cover information on topics that are beneficial to families for everyday living.

By providing our parents/guardians with the knowledge and experiences to advocate and support their child's learning, parents will become more engaged in supporting quality education for their children in ways that result in improved student outcomes and school improvement.

## How do I sign up to volunteer?

Friendship Aspire Academy encourages parents to volunteer. Volunteers may serve as tutors, mentors, chaperones, classroom and office assistants. To volunteer, please contact the school office and we can assist you with the application process.

## Do you have an inquiry or recommendation?

We encourage family and staff to collaborate in strengthening our schools. Teamwork, shared understanding of our mission, and agreement in moving forward is critical to our success. If parents require support outside of the school campus, please contact the Friendship Arkansas Superintendent at [ptran@friendshipusa.org](mailto:ptran@friendshipusa.org) or the National Head of Schools at [jgrant@friendshipusa.org](mailto:jgrant@friendshipusa.org).

## What are Quarterly Learning Contract (QLC) Conferences?

A key part of every parent's engagement is understanding the academic progress your children make throughout the year. Parents will receive information about their children's progress including classroom grades, attendance, behavior and most recent assessment data. Parents, students and teachers will work collaboratively to set performance goals and targets. To that end, parents are required to attend the QLC day conferences. During the 2018-2019 academic year, these mid-quarter conferences are scheduled on November 3, February 2, April 20. On QLC days, parents, students and teachers will:

- review student grade-level proficiency assessment data (Benchmarks, Principal's Assessments, unit tests, student portfolios, etc.)
- discuss behavior and attendance
- discuss student promotion status
- discuss enrichment opportunities
- review and develop new QLC goals as needed
- develop and sign a plan to reach written goals

The QLC goals serve as a contractual agreement between three parties: parent, teacher and student. The goals will be reviewed and discussed to determine the continuation of goals not met or the development of new goals when mastered. Parents will receive a copy of the Scholar Report Card and QLC at the time of the conference. A final review of QLC goals will be held prior to the end of the school year.

Please contact your child's school if additional information is needed regarding QLC conference times.

## Campus Visits and Classroom Observations

Parents/guardians of record or their documented designees who are interested in observing classrooms must make arrangements in advance through the main office and teacher. Classroom observations are not conferences and parents are therefore asked to observe instruction quietly.

Friendship Aspire requires all guests to use the main entrance to our buildings. Guests are required to report to the front office to sign in and retrieve a visitor badge that must be worn for the duration of your visit. Guests must follow the direction of security and may not roam the school building. At the completion of the visit, guests must sign out at the security desk. Friendship reserves the right to provide a security escort or bar suspicious or disruptive activity or behavior.

## Additional Opportunities for Conferences with Staff

Friendship Aspire Academy places a great deal of emphasis on parent involvement and we welcome parents/guardians to contact the school with requests for assistance or to express concerns. Contact with Friendship Aspire staff regarding concerns should be made in the following order: (1) Teacher or staff member (2) Principal (3) Superintendent (4) Friendship Education Foundation Office.

If a parent/guardian wants to discuss a matter with a member of the school staff, use the following procedure:

- The parent/guardian should schedule an appointment with the faculty member prior to the meeting date. It is possible that an adequate response can be provided through a telephone discussion. Please refer to your child's schedule, teacher syllabus, or phone the school to schedule a meeting with a teacher or other staff member.
- The parent/guardian must report to the office at the time of the agreed appointment and the main office will notify the staff member of your arrival. To avoid disruption of classes or other school activities, parents/guardians or their designees are not permitted to go to a classroom or other location without prior consent from the main office and/or a security escort.
- If no resolution can be reached through a discussion with a teacher, the parent must contact the main office to schedule appointment with the Principal. Parents/guardians may contact the Arkansas Superintendent after they have spoken with the principal at the school site.
- With regard to discipline hearings for suspensions of 10 days or more and recommendations for expulsion, student/parents/legal guardians can contact the Arkansas Superintendent to request a hearing.

## School Health Services

School health services are available at Friendship Aspire.

## School Nursing

The school nurse provides the following services that do not replace the care a student should receive from a regular physician or clinic.

- Basic first aid;
- Administration of certain medications;
- Referrals to emergency and other care in the event that an injury or other condition requires a service the nurse is unable to provide;
- Assistance to students with chronic illnesses that require ongoing prescribed medical treatment including monitoring blood sugar levels, administering tube feedings and performing catheterizations;
- Health screenings, assessments and referrals for health problems and medical conditions (e.g. vision, hearing and scoliosis). Prevention and containment of communicable diseases by ensuring all students are immunized in accordance with Arkansas laws and regulations; and
- Identification of suspected child abuse, illegal drug use or depression and determine appropriate intervention.

Parents and guardians can assist the school nurse in serving our students by:

- Informing the school nurse of any medical conditions or concerns about your child(ren)'s health;
- Making sure the school nurse has accurate, up-to-date emergency contact information;
- Getting your child's immunizations updated in accordance with requirements and promptly submitting your immunization form;
- Completing and promptly submitting the authorization form for administering medications along with any medications, medical equipment or supplies needed during the school day; and
- Providing follow-up information about the outcome of your child's health care referral

## Immunizations

State law requires all students to be immunized unless you waive the right for immunization due to religious or medical reasons. In the event of waiver due to religious or medical reasons, submission of a notarized letter to the school nurse and signed by you and your child's physician is required.

- Parents must submit forms or waivers to the main office and should retain copies in the event the information is requested again. Students without complete, up-to-date immunization forms will receive letters requesting up-to-date records.
- Please note: Upon accruing unexcused absences for missing health information, you and your child will be subject to the Attendance Policy of this handbook and Arkansas Truancy Law.

## Authorization for Administering Medication During School Hours

*Please Note: No medication will be administered at school in the absence of a complete, approved Authorization to Administer Medication form.*

In the event that a parent requests that a student take medication during the school day, including but not limited to administering an asthma inhaler or Epi-Pen, please follow these procedures:

1. The Authorization for Administering Medication form must be completed by the parent or guardian. (Please see your child's school nurse to receive form).
2. The Authorization for Administering Medication form must also be completed by the physician.
3. The complete Authorization for Administering Medication form must be on file at school before the medication can be administered at school.
4. The medication must be in the original labeled container as dispensed or in the manufacturer's labeled container. The label must contain the student's name, name of the medication and directions for use and date.
5. Parents or other authorized adults must transport medications and medical supplies to and from school and all medications and medical supplies must be given directly to the nurse.
6. Students may not carry medications (prescription or non-prescription) or supplies except for an inhaler for asthma. Parents who wish to have their children carry or possess an inhaler must still follow the above procedures and communicate directly with the school nurse.
7. All unused medications that have not been picked up by parents by the last day of each school year will be discarded by health office staff.

8. Immediate written notification of changes in medication and/or prescription directions must be provided to the school by the parent/guardian.
9. Annual renewal of authorization is required.

## Food Allergies

If your child is allergic to certain foods, please provide a note to the school nurse, your child's classroom teacher, and the food service coordinator. When submitting documentation to the school, please list all allergies.

If medication is being taken at school (i.e., Epi-Pen, etc.), you are also required to fill out the Authorization to Administer Medication form.

# Friendship Aspire Promotion

## What are the requirements for student promotion?

Students will be promoted when their educational growth shows they are prepared to successfully complete the next grade.

Parents of students at risk of not being promoted will be notified through quarterly report cards, during parent conferences, Quarterly Learning Contract (QLC) days and at other times throughout the school year as academic assessment, attendance and other student performance data are available. Parents must track their child(ren)'s academic progress throughout the school year by attending the mandatory QLC days and reviewing their child(ren)'s assessment and grade reports in order to determine whether their child may have to attend summer school.

All students who are candidates for retention will be closely monitored and will be required to attend Summer Learning Academy. Final decisions may be made as late as May as to what is most appropriate for the child and the circumstances.

## Students with IEPs

Promotion criteria for students with IEPs are the same as above. Prior to retaining a student with an IEP, the special education team (including relevant teachers and administrators from the school and from the

Community Office) will convene to review each student's performance and progress toward meeting his/her IEP goals. Retention of students with IEPs will only occur with the recommendation of the special education team.

## Promotion Criteria

### Promotion Kindergarten through 8th Grade

A student will be promoted based on performance in each of the following areas:

- **Attendance:** Students must have fewer than twenty (20) cumulative absences (including unexcused and excused absences). If a child has 20 or more absences, the student will be retained.
- **Academics (K – 1st Grade):** A student must demonstrate grade-level mastery to be promoted to the next grade. In addition, if the child is not meeting social-emotional development standards, the school reserves the right to retain the student.
- **Academics (Grades 2-5):** Students must demonstrate grade-level mastery in order to be promoted. To demonstrate grade-level mastery, students must pass (D or better) their English and mathematics classes and must meet certain percentiles in both reading and math on the Measures of Academic Progress (MAP) assessment.
- **Academics (Grades 6-8):** Students must demonstrate grade-level mastery in order to be promoted. To demonstrate grade-level mastery, students must pass (D or better) their English and mathematics classes and must meet certain percentiles in both reading, ELA, math and science on the ACT Aspire assessment.
- **Teacher and principal recommendations**
- Students who fall below certain standards will be required to repeat their current grades and encouraged to participate in Summer Learning Academy for additional support.

# Friendship Aspire Attendance

## Why is attendance important?

Students who are not in school consistently and on time miss valuable instruction and the opportunity to progress to their fullest potential. Instilling in your child the need to attend school daily and on time will also foster good habits for later in life when they enter college and the workforce. Please let us know if you are experiencing any circumstances that are preventing you from partnering with us to make sure your child attends school regularly and on time.

Students are expected to be present every day. Students must arrive at school prior to the official start of the school day, remain in school until the official close of the school day and arrive to all classes on time in accordance with the school's bell schedule.

**If a student is absent, a parent or guardian must submit valid written documentation to excuse the absence within 5 days of the student's return to school.**

**Failure to submit the written excuse note within 5 days will cause the absence to be unexcused.**

## Friendship Aspire Academy Policy and Legal Consequences Regarding Absences

The accumulation of absences will harm your child's academic standing and will result in your violation of the Arkansas's compulsory school attendance requirements. Failure to meet established attendance guidelines will result in the following consequences except in extenuating circumstances left to the discretion of the principal or school administrator.

**Note:** *Students who are un-enrolled from Friendship Aspire Academy are not eligible to return during the school year in which they are un-enrolled. If an un-enrolled student wants to return for the next school year, he or she will need to enroll through the website or in the front office.*

## Excused/Unexcused Tardiness and Early Pick-Up

Late arrival and early pick-up are violations of the attendance policy. Students who are tardy must sign in with the main office and must provide a valid reason for their tardiness. Students arriving late may also be assigned to tardy hall to prevent classroom disruption. Students will be integrated into the classroom as soon as possible. We request that parents schedule medical, dental and other appointments for students outside of school hours. All absences accrued as a result of tardiness and early pick-up are subject to the Friendship Aspire Academy's attendance requirements.

## Late Pick-Ups

# Friendship Aspire Academy

## Uniform Policy

Friendship Aspire Academy believes a safe and disciplined learning environment is the first requirement of a high-performing school. School uniforms help minimize disruptive behavior, promote respect for oneself and others, and build school/community spirit. Friendship Aspire also believes wearing school uniforms allows for identification of intruders on campus and encourages students to concentrate on learning rather than on what they are wearing.

All students are required to wear school uniforms, to be groomed and dressed appropriately for school and school activities.

A student's dress and/or appearance shall:

- Support, not disrupt, the learning environment;
- Constitute no threat to health or safety;
- Be tasteful and unable to be construed as provocative or obscene;
- Reflect practices of good hygiene and cleanliness.

Uniform requirements are outlined in this section and detail what is and is not appropriate for Friendship scholars to wear.

# Internet Use – Acceptable Use Policy (AUP)

The Internet is available for students enrolled in Friendship Aspire Academy. Friendship Aspire Academy strongly believes in the educational value of the Internet and sees the potential of the Internet to support curriculum, student learning and our educational mission. Use of the Internet has been established at Friendship Aspire Academy for educational purposes only, not as a public access service, a public forum, for commercial use or for political lobbying. Internet access for students is provided to promote educational excellence by facilitating resource sharing, innovation and communication.

Friendship Aspire Academy realizes that while the Internet can provide many opportunities of sound educational value, the Internet also offers persons with illegal or unethical purposes another way to reach students, teachers, parents and others. Friendship Aspire Academy has taken and will continue to take, all reasonable precautions to restrict access to inappropriate material that may not be considered of educational value in the context of a school setting. Friendship Aspire Academy enforces an Internet safety policy that includes measures to block or filter Internet access for both minors and adults to certain visual depictions. This technology protection measure prevents access to visual depictions that are (1) obscene, (2) Pornographic, or (3) harmful to minors.

However, Friendship Aspire Academy also realizes that access to a global network makes it nearly impossible to control all materials and a user may discover inappropriate information when accessing such a network. Friendship Aspire Academy believes that the advantage of obtaining materials from the Internet outweighs the possibility that users may obtain material that is not consistent with the educational goals of Friendship Aspire Academy.

Students at Friendship Aspire Academy will have access to the Internet, including World Wide Web resources. Electronic mail and access to news groups will be available on a limited basis. All of these services are available to students only under the direct supervision of a Friendship Aspire Academy staff member. Students are responsible for appropriate behavior on Friendship Aspire Academy computer networks. The use of Friendship Aspire Academy networks is a privilege, not a right and may be revoked if abused.

Students are advised never to access, keep or send anything that they would not want their parents or teachers to see.

The following actions (which are not inclusive) constitute unacceptable use of the Friendship Aspire Academy technology facilities, whether that use is initiated from school or any other site:

- Accessing Friendship Aspire Academy network and email accounts outside of school without a parent or guardian supervising the usage;
- Revealing personal information about themselves on the internet, including name, address, telephone number and uploading photographs;

- Accessing Internet chat rooms, unless the chat rooms are related to school coursework and access is made under the supervision of a teacher, parent or guardian;
- Accessing social networking sites, including, but not limited to Facebook, Twitter and Instagram;

- Installing or running any type of software on a Friendship Aspire Academy network computer without the consent of the Arkansas Superintendent.

- Reporting any cases of malfunctioning equipment or other network issues to a teacher, or other school personnel. The teacher or other school personnel shall contact a network administrator;
- When using public workstations, students shall log off of the network before leaving the work station;
- Students shall further ensure that the workstation is in suitable condition for the next student; and
- When using private or individual workstations, students shall lock their computer or log off of the network if they will be away from the workstation for an extended period of time.

If a student discovers or has reason to believe that another student has obtained unauthorized access of his/her account, the student shall contact a teacher or other school personnel, as well as immediately change his/ her password. The teacher or school personnel shall immediately contact the Arkansas Superintendent or a network administrator.

Content of all files located on computer equipment owned or maintained by Friendship Aspire Academy are considered property of Friendship Aspire Academy and are subject to search by Friendship Aspire Academy at any time and for any reason.

If a student violates any of the above guidelines, automatic notification will be made to the student's parent(s) or guardian(s) of the infraction(s). Depending on the severity of the infraction, ANY of the following consequences may be imposed:

- Conference with parent or guardian;
- Loss of network use for a determined period of time;

## Freedom From Bullying

"Bullying" means the intentional harassment, intimidation, humiliation, ridicule, defamation, or threat or incitement of violence by a student against another student or public school employee by a written, verbal, electronic, or physical act that may address an attribute of the other student, public school employee, or person with whom the other student or public school employee is associated and that causes or creates actual or reasonably foreseeable:

- (A) Physical harm to a public school employee or student or damage to the public school employee's or student's property;
- (B) Substantial interference with a student's education or with a public school employee's role in education;
- (C) A hostile educational environment for one (1) or more students or public school employees due to the severity, persistence, or pervasiveness of the act; or
- (D) Substantial disruption of the orderly operation of the school or educational environment.

"Harassment" means a pattern of unwelcome verbal or physical conduct relating to another person's constitutionally or statutorily protected status that causes, or reasonably should be expected to cause, substantial interference with the other's performance in the school environment;

A.C.A. § 6-18-514 (2013)

Arkansas anti-bullying laws prohibit bullying by an electronic act that results in the substantial disruption of the orderly operation of the school or educational environment, whether or not the electronic act originated on school property or with school equipment, if the electronic act is directed specifically at students or school personnel, is maliciously intended for the purpose of disrupting school, and has a high likelihood of succeeding in that purpose.

Friendship Aspire Academy schools prohibits bullying as defined by this policy, as well as retaliation against anyone involved in the complaint process. Bullying occurs when a student or group of students engages in repeated written or verbal expression or physical conduct that:

- Will have the effect of physically or emotional harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; or
- Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

Bullying of a student may include hazing, threats, taunting, teasing, confinement, assault, and demands for money, destruction of property, theft of valued possessions, name-calling, rumor spreading, and ostracism. Bullying can occur in person, verbally, physically, or virtually and must be reported to local administration immediately.

**Cyberbullying** - The use of technology including messaging services, e-mail, social media services, and the internet to enact any or all of the prohibited conduct outlined above is considered cyberbullying, and is subject to disciplinary action up to and including expulsion. The school shall take initiative in educating and informing its students of the negative effects of cyberbullying, as well as the disciplinary consequences should students violate this prohibition.

**Reporting Procedures** - Any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to the Principal, a teacher, paraprofessional, or other school employee. A report may be made orally, in writing, or online. Any school employee who receives notice that a student has or may have experienced bullying shall immediately notify the Principal and/or designee. A student who intentionally makes a false claim or offers false statements is subject to appropriate discipline.

**Investigation of Report** - The Principal shall determine whether the allegations in the report, if proven, would constitute prohibited harassment, and if so, proceed under that policy instead. See "Freedom from Discrimination, Harassment, and Retaliation". The Principal shall conduct an appropriate investigation based on the allegations in the report, and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.

The Principal shall prepare documentation of the investigation, including a determination of whether bullying occurred, and send a copy to the superintendent. If the results of an investigation indicated that bullying occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct. The school may take action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of bullying under this policy.

**Confidentiality** - To the greatest extent possible, the school shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation.

**Appeal** - A student or parent who is dissatisfied with the outcome of the investigation may appeal through the school grievance procedure.

## Procedures for Suspension and Expulsion

1. All notices regarding disciplinary action will be provided to the parent in writing on the date the school makes a decision to suspend the student and must be signed by a school administrator or designee.
2. Students who have been given an out-of-school suspension or expulsion, may not leave school grounds during school hours unless accompanied by a parent/guardian or parent/ guardian designee.
3. Short-Term Suspensions: The school administrator or designee may suspend a student for periods of short-term suspensions for no more than nine (9) cumulative days in a school year.
4. Long-term Suspensions of 10 days or more and/or Expulsion: The school administrator or designee may only recommend:
  - a. Long-term suspension of 10 days or more and /or
  - b. Expulsion
5. All recommendations for 6-9 day suspensions or expulsions will be reviewed by the FAA School Board of Trustees for a final decision. Note: The Board of Trustees' Discipline Committee does, in the event of disagreement between the Community Office and the school administrator, render the final discipline determination.
6. In calculating days of suspension, days served will not include days when school is not in session for students, including but not limited to school closure days, school holidays, spring break and summer break, unless the student is required to attend summer school or extended year services. For example, if the student is suspended on the day before spring break, the days during spring break will not count as days the student served on suspension.
7. Once a student is suspended, a student homework packet must be available for a parent to retrieve within one business day.
8. For students with IEPs, 504 Plans and students who are in the process of being evaluated for special education who are suspended for more than 10 days in a school year, a multi-disciplinary team will review all relevant educational records contained in the student's file or in possession of the school to determine whether the student's violation of school rules was a manifestation of the student's disability.

- a. If it is determined that the student's behavior was a manifestation of the student's disability, the student will be returned to his/her educational placement.
- b. If it is determined that the student's behavior was not a manifestation of his/her disability, the student's file will be reviewed to determine disciplinary action in accordance with the policies contained in this section.

The representatives or designees of the Board who will hear the appeal will consist of at a minimum two (2) administrators at the manager level or above.

## Review and Determinations

1. All recommendations for suspensions of 10 days or more and expulsion will be reviewed by the School Board for final determination, regardless of the parent/guardian/student request for appeal. FERPA authorizes disclosure without prior consent to officials and teachers within the school or agency who have a legitimate educational interest and other K-12 schools or school systems to which the student seeks or intends to enroll or is already enrolled as well as post-secondary institutions to which the student seeks to enroll. In the above instances, the student's educational records can be disclosed without prior consent if the person or agency to which the records are being disclosed has a legitimate educational interest.
2. In the case of an appeal, additional information submitted by the parent/guardian/student within the 48-hour timeframe, as well as any information obtained from a hearing, if one is requested, will also be considered.
3. Determinations made the Arkansas Superintendent or designees of the School Board shall be final and will be communicated to the parent/guardian/student and school administration in writing.

**Alternative Programs:** A student may be assigned to or offered the opportunity to participate in alternative programs available if, in the opinion of school officials, such assignment would benefit the student. ## Education of Homeless Children and Youth Program

### Educational Rights Public Notice

The mission of the Education of Homeless Children and Youth Program is to ensure free, appropriate, public educational opportunities for homeless children and youths; to provide technical assistance to schools, shelters and the community; and to heighten awareness of homeless issues. Homeless children and youth should have equal access to the same educational opportunities and services as non-homeless children and youth. In addition, homeless children and youth should have the opportunity to meet the same challenging academic achievement standards to which all students are held pursuant to the McKinney-Vento Homeless Assistance Act federal law.

#### 1. What is the definition of homeless children and youths?

The term "homeless child and youth" means:

- Children and youth who lack a fixed, regular, and adequate nighttime residence; and includes children and youth who are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations; are living in emergency or transitional shelter; are abandoned in hospitals; or are awaiting foster care placement;
- Children and youth who have a primary nighttime residence that is a private or public place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings;
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;

- Migratory children who qualify as homeless because they are living in circumstances described above; and
- Unaccompanied youth, including youth who are not in the physical custody of a parent or guardian, who qualify as homeless because they live in circumstances described above.

#### 2. Can a homeless child enroll in school?

Yes. The child may continue enrollment in the school of origin for the duration of homelessness. The school is the one the child attended prior to becoming homeless or the school in which the child was last enrolled. The child may also enroll in the school for the attendance area where he or she is living temporarily. If a dispute arises over school selection or enrollment, the school must immediately enroll the homeless student in the school, pending resolution of the dispute. If the local school cannot resolve the dispute, the school must follow the Dispute Resolution Process, not to exceed fifteen (15) days. The local school must provide the parent, guardian or unaccompanied youth with a written statement of the school placement decision and the appeal rights.

#### 3. Whom should be contacted if a dispute arises regarding enrolling a homeless child or youth in school or if other assistance is needed?

If a homeless child or youth is experiencing difficulty in enrolling in school, please contact their school's homeless liaison or the office of the superintendent.

## Special Education Services

The Individual Disabilities Education Improvement Act (IDEIA) is a Federal law, the purpose of which is to "ensure that all children with disabilities have available to them a Free Appropriate Public Education that emphasizes special education and related services designed to meet their unique needs and prepare them for further education, employment, and independent living."

Friendship Aspire Academy does not discriminate against students with disabilities and enrolls and serves all students regardless of the type or severity of disability including but not limited to students with learning disabilities, emotional disabilities, intellectual disabilities, developmental delays, autism, students who are blind, visually impaired, deaf or hard of hearing. Friendship Aspire Academy believes all students can learn with appropriate educational services.

Friendship Aspire Academy prides itself in providing multiple student supports, including but not limited to specialized instruction from qualified special education teachers and related services including but not limited to the area of counseling, behavioral supports, speech, occupational therapy and physical therapy. Friendship Aspire Academy offers a continuum of settings and placements for students with special needs. The goal and mandate of federal law (IDEIA) is to educate students in the least restrictive environment that meets their academic and social emotional needs. Friendship Aspire Academy educates students with special needs in the least restrictive environment (LRE).

LRE is an inclusion setting where students with special needs are provided instruction that meets their individual needs in the general education classroom. The student remains with his/her general education peers, but receives the necessary supports and accommodations from the special and general education teachers to be successful.

If a student needs more support than can be provided in an inclusion setting, based on academic and/or social difficulty in the general education classroom, additional classroom environments may be considered. For example, the students may show more success after receiving instruction in a pull-out setting, resource classroom or self-contained classroom. The determination of the LRE is made by a multi-disciplinary team that includes school staff and the parent. After the decision is

made, the special education staff regularly review each student's level of service and monitor his/her progress to ensure that the services and setting are appropriate.

You as a parent or legal guardian can request that your child be evaluated. Procedures for making referrals, conducting evaluations, communicating with families, writing and reviewing Individualized Education Plans (IEPs), maintaining student records and reporting student progress are managed at each school by the Special Education Coordinator (SEC). If your child is found eligible for special education and related services, the Arkansas State Regulations mandate that all persons who are residents are entitled to receive those services from birth through age twenty-two.

The cornerstone of IDEIA is the requirement that parents be active participants in determining the services that will appropriately address the special education needs of their children. An effective partnership between parents and educators is necessary and requires that all people involved be fully informed about student's special education needs and collaborate together to address the needs. Sometimes collaboration will include exploration of additional home and community-based supports that can be provided outside of the school day to assist the student. Opportunities to explore options, alternative or additional, outside the learning environment are important to the overall success of the student. Friendship Aspire Academy is committed to partnering with parents to foster a positive educational experience for their child.

## What Is an IEP?

If your child is found eligible for special education services, an Individualized Education Plan (IEP) will be developed with your participation and input. The IEP is a written plan of the specialized instruction and related services specifically designed and necessary to meet the unique educational needs of your child. The IEP states the classroom supports, services and resources that FAAPB will provide to each student with a disability. It contains measurable goals in academic and/or social-emotional areas based on the student's present level of educational performance. In addition, the IEP states the setting where the services will be delivered and describes the amount of specialized instruction, related services and supports necessary for the student to make progress on the goals.

The primary contact person for special education services is the School Principal or Special Education Coordinator at your campus.

## Grievance Policy and Procedure for Parents/Guardians and Students

The procedures outlined below establish how complaints regarding discrimination or harassment will be investigated and resolved. These grievance procedures are intended to provide for a prompt and equitable resolution of complaints. Procedures related to employees are addressed in the Friendship Aspire Academy staff handbook.

**Who May file:** Any person, including a student, parent or visitor, who believes they have been discriminated against or been the subject of harassment based on race, color, national origin, sex, age, or disability, in admission or access to, or treatment in, Friendship Aspire Academy's programs and activities may make an informal or formal complaint.

**Informal Complaint:** Friendship Aspire Academy recognizes that most if not all disputes are capable of being resolved amicably when there is communication between the person who believes they have been discriminated against or the subject of harassment and the school's administration. Friendship Aspire Academy encourages but does not require that any person who has a grievance speaks directly with the school Principal in an effort to resolve the concern(s).

### FORMAL COMPLAINT:

#### Step 1 Initiation

A written notice must be completed and signed by the grievant and submitted to the Principal at the particular campus within ninety (90) calendar days of the alleged discrimination or harassment. A complaint form may also be obtained from the school's front office. The written notice must identify the subject of the complaint, the time frame/date(s) of the occurrence and the resolution or relief sought. The written notice should be signed and dated.

#### Step 2 Investigation

The Principal or his/her designee will promptly conduct a thorough and impartial investigation of the matters outlined in the complaint. Each investigation will consist of obtaining written evidence, interviewing witnesses and allowing parties to present evidence. All matters relating to the investigation and/or the alleged discrimination or harassment are considered confidential and will not be disclosed to persons not involved in the investigation except as required by law.

#### Step 3 Response

Within thirty (30) calendar days of receiving the written notice, the Principal or his/her designee will respond to the grievant in writing, summarizing the information obtained from the investigation, determine whether the grievance was substantiated and if so, propose an appropriate resolution. If the grievance was substantiated, immediate action will be taken to rectify the problem.

#### Step 4 Appeal

If the grievant is not satisfied with the decision of the Principal he/she may appeal the decision through a signed written statement to the Arkansas Superintendent within ten (10) calendar days of receipt of the Principal's response. In an attempt to resolve the grievance, the Arkansas Superintendent or designee shall meet with the concerned parties and their representatives within thirty (30) calendar days of the receipt of such an appeal. A copy of the Arkansas Superintendent or designee's disposition of the appeal shall be sent to each concerned party within ten (10) calendar days of this meeting.

A grievant who is not satisfied with the process or response or does not wish to utilize this process may file a complaint with the Office for Civil Rights at any time before or during the grievance procedures.

## Prohibition Against Retaliation

Friendship Aspire Academy will not tolerate or permit retaliation against a grievant who files a complaint pursuant to this policy. Immediate action will be taken against any person found to have retaliated against a grievant that has made a complaint.

## Accessing Additional Resources to Support You and Your Child

We understand that students and families may need support beyond the regular school day, and we therefore offer extended learning and referrals to programs to meet practically every need. Please check with the main office.

## What is the Family Education Rights and Privacy Act (FERPA)?

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day Friendship PCS receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school principal or other appropriate school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The rights to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask Friendship Aspire Academy to amend a record that they believe is inaccurate. They should write the school Principal, clearly identify the part of the record they want changed and specify why it is inaccurate. If Friendship Aspire Academy decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. FERPA authorizes disclosure without prior consent to officials and teachers within the school or agency who have a legitimate educational interest and other K-12 schools or school systems to which the student seeks or intends to enroll or is already enrolled as well as post-secondary institutions to which the student seeks to enroll. In the above instances, the student’s educational records can be disclosed without prior consent based on the reason that the person or agency to which the records are being disclosed has a legitimate educational interest.
4. FERPA also authorizes disclosure of directory information unless the parent or student over the age of 18 notifies the school in writing that they do not wish for directory information to be disclosed without prior consent. Directory information includes:
  - A. Student Name; Mailing Address and Telephone Listing
  - B. Photograph
