Digital Accessibility Commitment

Friendship Aspire Academies of Arkansas is committed to ensuring that all students, families, staff, and community members can access our digital content and online services. In alignment with Section 504 of the Rehabilitation Act and the updated federal requirements issued by the U.S. Department of Health and Human Services, the district is actively working to ensure that all websites, applications, instructional platforms, and digital communications conform to the Web Content Accessibility Guidelines (WCAG) 2.1 Level A and AA.

Our Accessibility Goals

We are taking steps to:

- Improve the accessibility of district and school websites
- Ensure instructional and communication platforms used by students and families meet WCAG 2.1 A/AA
- Remediate inaccessible documents, forms, and media
- Train staff on accessible digital content practices
- Monitor accessibility on an ongoing basis

Requesting Assistance or Reporting a Barrier

If you experience difficulty accessing any digital content or believe a barrier exists on a district website or platform, please contact:

Digital Accessibility Coordinator or Your Scholars Campus Leader:
FAA Little Rock Garland-Mr. J. Laine

FAA North Little Rock-Mr. W. Kendrick
FAA Lab School for Dyslexia-Ms. N. Jones
FAA Pine Bluff Downtown-Ms. A. Williams
FAA Pine Bluff Hazel-Dr. C. Mims
FAA Southeast-Ms. A. Rogers

Please include:

- The URL or name of the digital resource
- A description of the issue
- The assistive technology you are using (if applicable)

We will respond promptly and work to provide the information or service in an accessible format.

Continuous Improvement

Friendship Aspire Academies of Arkansas is committed to ongoing review and improvement of digital accessibility. As part of this effort, we are conducting audits, collaborating with vendors, and implementing districtwide accessibility practices to ensure equitable access for all.
